

ALL NATURAL DOG TREATS

About Us

Founded in 2006, Happy Howie's was started to make the world's greatest dog treats in the world's greatest city. Happy Howie's has developed from a small, relatively unknown Detroit-based company to one of the best providers of all natural dog treats. From its original one-of-a-kind deli style sausages for dogs, Happy Howie's has expanded to include burger patties, jerky and other treats that dogs love. Happy Howie's is proud to serve dogs nationwide while truly representing the Detroit spirit. Make 'em happy... Naturally!®

Value/Purpose Statement

Our passion is making healthy dog treats and partnering with our customers to grow a sustainable company while improving Detroit through community support and job growth.
